

aquarias spa

Indulged at Whatley

As a hotel guest you are welcome to enjoy the spa facilities from 1pm on the day of your arrival and up to 1pm on the day of your departure.

Our hydrotherapy pool, gym and the majority of our spa treatments will be available during your stay.

The salt scrub showers are available by appointment only.

We kindly ask that you change into your spa robes in your rooms before heading to the spa.

There might be a short wait to enter certain areas of the spa due to operating at limited capacity.

Should you wish to enjoy the spa after you have checked out of your room, we kindly ask that you leave your luggage in your car. This is due to limited storage space available to us in the spa. Drawstring bags are provided by reception for your change of clothes.

In order to minimise high-touch points, we kindly ask that you bring your own water bottle along with you to use as you journey around the spa.

The entire spa will receive an ozone sanitising treatment overnight

THERMAL SUITE, SAUNA & STEAM ROOM REMAIN CLOSED
