

Quite simply blissful

The Aquarias Spa at Whatley Manor Hotel is inspired by the peaceful surroundings of the Wiltshire countryside and the beauty of the historic buildings and landscaped gardens.

A sense of calm, a moment to stop and reflect, an opportunity to nurture and engage with your own wellbeing, our spa offers a range of carefully curated treatments and spa days to meet your needs.

Relax in our hydrotherapy pool, enjoy the warmth and therapeutic benefits of our thermal suite and experience a deeper state of relaxation in our floatation pod.

In our Spa Lounge we offer delicious lunches and a wide selection of beverages to enjoy during your day with us.

Let our knowledgeable team guide you through our treatment menu to arrange a perfect, bespoke day just for you.

Spa Information

All treatments and spa days can be booked with our spa reception team either by calling 01666 827 070 or by emailing aquarias@whatleymanor.com

We recommend an arrival time of no less than 15 minutes before your treatment time or the start of your spa day. This will enable you to complete your health questionnaire and change without having an impact on your treatment and spa time.

We would advise that our spa facilities are used before any treatments to maximise their benefits and efficacy

We will provide you with robes, towels and footwear and our changing rooms offer secure lockers, amenities for showering and Dyson hairdryers.

Our spa day guests have full use of all the facilities including our fully equipped gym and studio and access to our salt scrub room.

Please advise our spa reception team of any medical concerns, we will do our best to accommodate and adapt our treatments where possible if we have advance knowledge.

Spa Information

We are unable to offer any of our treatments to pregnant guests in their first trimester and we would recommend that the hydrotherapy pool (avoiding the jets) is the only area of our spa facilities that can be used safely throughout the pregnancy. Our Spa reception team will advise you which of our other treatments may be suitable for the 2nd and 3rd trimester.

Our minimum age requirement for spa and gym use is 16 in line with our health and safety policy.

Our treatments are suitable for adults only, and therefore the minimum age requirement for all of our spa treatments is 18.

Gift vouchers may be purchased online and are accepted in the spa, for hotel stays and dining.

Please note that vouchers must be used within the time frame of 12 months, if not they will be considered as invalid.

All treatments and spa days are refundable within 72 hours of the treatment time or spa day. Outside of this cancellation policy the full payment will be retained. Please note a late arrival may impact your treatment time.

Supporting Mind Wiltshire with Every Spa Experience

At Whatley Manor, we believe in nurturing wellbeing — both inside and out. That's why we're proud to support Mind Wiltshire, a charity dedicated to providing vital mental health services across our local community. For spa packages marked with a *, we will donate £5 directly to Mind Wiltshire, helping ensure no one has to face a mental health problem alone

This initiative is part of our broader commitment to social impact, aligning with United Nations Sustainable Development Goal 3: Good Health and Wellbeing for all.

Relax, restore, and make a meaningful difference — for yourself and others.

Quite simply Float away...

Imagine floating away into a world of your own, being totally weightless, relaxed and totally at ease. The Iso-pod floatation experience offers a unique treatment that benefits, mind and body, allowing you to relax so deeply that you can meditate, ease the stress in your body and manage any pain. The Pod has its own purpose-built suite which immediately feels warm and comforting. The Pod itself is filled with over 500kg of Epsom salts mixed with 1,000 litres of water at body temperature to create the buoyant environment that allows you to float effortlessly. Without the pull of gravity, you can relax all your muscles and release tension.

The lights go down and gentle music plays for a short time to encourage you to quiet your mind and completely switch off. If you drift off to sleep this is perfectly safe and music plays before the end of your session to gently bring you back into full consciousness.

After your session you can take a warm shower to remove the salt then slip into a robe and spend some time relaxing in the Tepidarium to reset.

How you use the Pod is quite personal to you, you can change the lighting and choose to bring the lid down or leave it open, as you come to relax and enjoy the experience you will gain more from each visit.

The Floatation Pod experience can be booked as a standalone treatment or as an addition to a Spa Day package.
